PREFACE

In the fall of 1947, ten years after any nearly complete list of Antioch graduates had been published, the tremendous task of collecting the names, addresses, and professions of Antioch's 5,000 living alumni, was begun. This undertaking was only the third of its kind in the almost 100 years of Antioch's history.

The first alumni directory ever printed at Antioch appeared in February of 1922, after many months of night-time volunteer work. Until 1937, this small book was Antioch's sole alumni register. In that year, Grace K. Willett edited the second directory.

The present directory, like the three earlier ones, has as its purpose to strengthen the ties that hold alumni to Antioch and to each other.

Antiochians have always been a roving lot; so, since there will probably be no change in this habit, this book will contain inaccuracies--fresh from the press. The pressure of meeting a deadline forced the editors to choose between setting a date after which no changes of address would be entered in the proofs, or trying to keep up with changes as they continued to filter in day by day. Therefore, the listings are the latest available to the editors as of March 15, 1961. Fear not, there will be other directories, and the present editors hope that any inaccuracies will be called to the attention of the Alumni Office and corrected.

The present directory has been many months in preparation and the editors--Harriet Long Hamilton and Jane Bachrach Hughes--wish to thank all those who contributed their time and effort in helping to compile as complete a register as possible. We are greatly indebted to the editors of the directory of 1948 and to the 3,500 plus Alumni, over the country and in many foreign lands, who contributed information through that all important current postal-return card. The editors are especially indebted to Helen S. Tordt, Director, Alumni Office, for her untiring efforts as the "final authority" for all listings and her invaluable encouragement. To all who have been of help, our sincere thanks.

GRADUATES BY CLASSES

1857-1960

The names in the following lists appear as listed at the time of graduation. When women have married since graduation, the surname of the husband is given in parentheses. Occupations and addresses, as known on December 10, 1960, will be found in alphabetical index. The year of death is given whenever known (d'00).

CONSTITUTION of the ALUMNI ASSOCIATION OF ANTIOCH COLLEGE

With Amendments of October 11, 1958

Article 1: Name

There shall be an organization known as the ALUMNI ASSOCIATION of ANTIOCH COLLEGE.

Article 2: Purposes

Purposes of the AAAC are:

- To maintain a mutually beneficial relationship between Antioch College and its alumni.
- To give financial support and otherwise to assist in maintaining the standards of Antioch College and in promoting its educational program.

Article 3: Membership

All former students and former members of the faculty and administration staff who were at Antioch College for at least one academic year become members of the AAAC on showing evidence of interest by actively contributing to one or more of the purposes set forth in Article II. All members shall have the right to receive regular publications and other literature of the Association, to vote, to hold office, and to enjoy other rights and privileges determined by the Board of Directors.

Article 4: Governing Body

(a) The governing body responsible for carrying out the purposes of the AAAC shall be a Board of Directors consisting of fifteen members of the AAAC elected by the membership, five to be elected each year in such manner as the Board of Directors may determine. The Board may co-opt two additional members each year. Officers elected from the general membership rather than from the Board shall also be members of the Board during their term of office.

(b) The term of office shall be three years, and no Director shall serve more than two successive terms.

(c) Nominations of Directors to be elected shall be made by the Nominating Committee, subject to the approval of the Board.

(d) Vacancies shall be filled by recount of the ineffective ballots of the year in which the resigning Director was elected. The new Director thus selected will serve for the remainder of the resigning Director's term.

(e) The Board shall meet at least once each year for the purpose of transacting regular business. Eight members shall constitute a quorum.

(f) An Executive Committee of the Board appointed by the President from among the Directors shall have the power to act for the full Board of Directors between regular meetings of that body.

Article 5: Officers and Staff

(a) The Officers of the AAAC shall be a President, a Vice-President, a Secretary, and such other officers as desired by the Board.

(b) Officers shall be elected annually by the Board from among the Directors or from the general membership.

(c) The President shall be the presiding officer of the Board and the executive head of the AAAC, and shall be responsible for calling regular meetings and otherwise carrying out the policies of the Board of Directors in its work of effectuating the purposes of the AAAC.

(d) The President shall appoint the chairmen of necessary committees and may select the membership of such committees.

(e) All officers shall be directly responsible to and subject to recall by the Board.

(f) The Alumni office is in every respect a regular unit in the College Administration. The Director of the Alumni Office shall be a regular member of the College Faculty, jointly appointed by the President of the College and the AAAC Board of Directors.

Article 6: Trustees

Two members of the Board of Trustees of Antioch College shall be nominated and elected each year in the same manner as the five directly elected members of the Board of the AAAC and in accordance with the provisions of the College charter. No member may succeed himself as an Alumni-elected Trustee.

Article 7: By-Laws

By-Laws of AAAC shall be adopted, set down in writing, and kept current through necessary amendments, by a majority vote of the Directors.

Article 8: Amendments

Amendments to this Constitution may be proposed by the Board or by petition of fifty members of AAAC and shall be adopted upon the affirmative vote of a majority of members returning ballots.

BY-LAWS ALUMNI ASSOCIATION OF ANTIOCH COLLEGE

With Amendments of June 24, 1955 and June 20, 1958

By-law 2: Purposes

- 2.1 The long range policy of alumni financial support of the College is to contribute to the basic general education program.
- 2.2 Contributions to the College or to the Association are considered to be in common to both.
- 2.3 The President of AAAC may appoint an alumni finance campaign committee or chairman as required by the finance program of the College.

By-law 3: Membership

- 3.1 The staff shall interpret the Constitutional qualifications for membership giving attention to service in the admissions, finance, and co-operative education programs of the College and to alumni parents of Antiochians.

By-law 4: Governing Body

- 4.1 The president of the Alumni Association shall annually appoint a Nominating Committee for the selection of alumni candidates for College and Alumni Boards. This Nominating Committee shall consist of five alumni, at least two of whom shall be members of the Board of Directors of the Alumni Association.
- 4.2 Both the slate of nominees and the directors elected shall be apportioned so that one director is elected each year from each of five groups of consecutive classes. As nearly as practicable, these groups shall include equal numbers of alumni.
- 4.3 Representation of pre-1921 alumni may be obtained by the Board's co-opting one director from that group each third year.
- 4.4 Suggestions for nominations shall be solicited each year by a return card mailing to Alumni Association members.
- 4.5 An alumnus who is serving as a Director of the Alumni Association or trustee of the College shall not be nominated for election to a term on the other Board that would overlap his present term as Director or Trustee.
- 4.6 The administrative year of the AAAC shall be the same as that of the College: namely, July 1 to June 30.

By-law 5: Officers and Staff

- 5.1 The President of the AAAC shall consult with the College Administration about the proposed budget of the Alumni Office each spring in time for reasonable consideration before final adoption of the budget by the College.

By-law 5: Officers and Staff (Cont.)

- 5.2 The President of the Alumni Association, with the approval of the Executive Committee, shall annually appoint three members of the Board to serve as a Nominating Committee for the selection of candidates for the offices of President, Vice President, and Secretary of the AAAC. This committee shall submit its selections to the Alumni Office which, in turn, will mail notices of nominations to all members of the Board, prior to the Spring meeting of the Board, at which time the elections will be held. Before calling for the vote, however, the presiding officer shall call for nominations from the floor.

By-law 6: Trustees

- 6.1 Only alumni who left College ten years or more before the Trustee term starts shall be eligible for nomination as College Trustees.

ALPHABETICAL INDEX

Living Graduates and Non-Graduates

Included in the alphabetical index, and the geographical as well, are all students who attended Antioch who are still living and received credit for at least one year of academic work.

The order of items is as follows: Names, Date of degree or of attendance at Antioch, Residence address, Occupation, Business Address (omitted if the same as Residence, name of city not repeated if same as Residence, and Zone Numbers not repeated if same as Residence). Permanent or home addresses are given when present addresses are unknown or have been indicated as temporary.

The address of married women are entered under their married names. As a cross-reference, the maiden name is given also in its regular place in the alphabet. In the first case, the maiden name follows the married name in parentheses; in the second, the order is reversed.

The Bachelor's degree, either in science or in the arts, is shown by the date of graduation. For non-graduates, the first date indicates the time of entrance (only the date of the beginning of the college year being given, as 34, when the student withdrew any time during the year 33-34); and the second date indicates the time of withdrawal (only the date of the end of the college year being given, as 34, when the student withdrew any time during the year 33-34). One year's attendance is indicated by hyphenated dates, for example, 32-33. If year dates are the same for husband and wife, the date is given following the husband's names, only. Names and/or titles were taken directly from the addressograph plates, or as written on the return information postal card.
